# SPARTAN

by TEXSTORIES

**A celebration of elegance in simplicity.**

**Spartan — a thoughtfully curated collection where fabric design embraces form, texture, and atmosphere.** Every article is selected for its ability to convey quiet strength and material presence. Across dobby and jacquard weaves, satin finishes, embroidery, and print techniques, SPARTAN presents a spectrum of tactile expressions. From airy sheers to upholstery-grade constructions, the collection explores surface with intention: flowing geometrics, abstract motifs, and layered textures that evoke architecture, rhythm, and natural abstraction. Crafted in blends of natural and synthetic fibers, each fabric complements interiors defined by understated elegance and a palette of earthy and neutral tones. Spartan is more than a compilation of textiles — it's a design language of balance and clarity, made to bring structure, calm, and character to any space.

Abrasion Resistance	+10,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## CANVAS

### **Stars etched in satin and shadow**

CANVAS is a piece-dyed, monochrome jacquard textile enhanced with satin accents. Its irregular, asymmetric star motifs shimmer subtly across the surface. Ideal for elegant cushions or drapery, CANVAS introduces celestial geometry to earthy, serene design schemes.

**Keywords:** Piece-dyed, monochrome, jacquard, satin accents, asymmetric star, drapery.

Article Reference	CANVAS				
Color	SAHARA				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	40 cm	Horizontal	34 cm	
Composition	25% Nylon, 29% Linen, 46% Viscose				
Weight (+/-)	325 g/m <sup>2</sup>				
Abrasion Resistance	+30,000 Martindale				
Usage	Decorative, Upholstery				
Care Instructions	Dry Cleaning				

## SPIRAL

### A rustic grace in every stitch

SPIRAL is a dobby-woven fabric composed of a polyester-linen blend, softened through fabric washing. Designed for decorative applications like curtains and cushions, it features embroidered ogee shapes elegantly connected by dotted lines. The pattern adds a refined, heritage-inspired softness that brings timeless geometry into warm, grounded interiors

**Keywords:** Dobby, poly-linen blend, decorative, ogee shapes, dotted lines, heritage.

Article Reference	SPIRAL

Abrasion Resistance	+25,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## ZEBRA

**Pattern and pause in perfect accord.**

ZEBRA is a durable jacquard woven from a cotton-viscose-nylon blend, designed for both heavy domestic use and decorative settings. Its yarn-dyed floating stripes form a soft geometric grid with subtle movement. Ideal for upholstery, cushions, or structured drapery, it lends quiet rhythm to interiors rooted in natural balance.

**Keywords:** Jacquard, durable, cotton-viscose-nylon, heavy domestic use, yarn-dyed, stripes

Article Reference	ZEBRA			
Color	FOG			
Width (+/-)	140 cms

Weight (+/-)	500 g/m <sup>2</sup>			
Abrasion Resistance	+60,000 Martindale			
Usage	Decorative, Upholstery			
Care Instructions	Dry Cleaning			

## LUXE

### **A soft sculpture for living spaces**

LUXE is a performance-grade jacquard in piece-dyed polyester, built for heavy domestic use with a highly textured, layered surface. Its abstract pattern mimics natural stone, offering both visual depth and tactile interest. Perfect for upholstery in earthy interiors seeking sculptural softness and rugged refinement.

**Keywords:** Performance-grade, polyester, textured, natural stone, upholstery.

Article Reference	LUXE

Abrasion Resistance	+30,000 Martindale			
Usage	Decorative, Upholstery			
Care Instructions	Dry Cleaning			

## VISTA

### **A soft drift of texture and glow**

VISTA is a sheer jacquard crafted in yarn-dyed polyester, designed to softly filter light through a netted, semi-transparent construction. Its open weave introduces quiet texture to windows and partitions. Ideal for layered panels or breezy curtains, TERESA brings a touch of airiness to calm, earth-toned interiors.

**Keywords:** Sheer, jacquard, yarn-dyed, semi-transparent, open weave, breezy curtains.

## WAVE

### Textures that echo the terrains

WAVE combines satin and plain jacquard weaves in a refined large-scale diamond layout. This decorative fabric's pattern evokes soft terrain shifts, making it an excellent choice for drapery or cushions in nature-inspired interiors that celebrate layered textures and quiet movement.

**Keywords:** Satin, jacquard, plain weave, large-scale, soft terrain, drapery, cushions.

Article Reference	WAVE			
Color	FOG			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	60 cm	Horizontal	69.5 cm
Composition	36% Nylon, 12% Linen, 52% Viscose			
Weight (+/-)	225 g/m <sup>2</sup>			
Abrasion Resistance	+60,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## VALLEY

### **A soft reflection of timeworn wood**

VALLEY is a jacquard fabric woven with a blend of yarn-dyed polyester and zari, creating a surface that shimmers subtly. Its abstract stripe design resembles weathered bark, making it ideal for curtains or cushions. VALLEY enriches earthy interiors with a sense of natural erosion and quiet luxury.

**Keywords:** Jacquard, yarn-dyed, polyester, zari, shimmer, abstract, stripe, weathered bark.

Article Reference	VALLEY			
Color	FOG			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	36.5 cm	Horizontal	36 cm
Composition	86% Polyester, 14% Zari			
Weight (+/-)	204 g/m <sup>2</sup>			
Abrasion Resistance	N/A			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## EDEN

### Layered lines inspired by elemental rhythm

EDEN is a decorative jacquard combining yarn and piece-dyeing across a nylon, polyester, and linen blend. Its surface is defined by geometric lines crafted with special yarns that create visual layering. A perfect fit for refined cushions or drapes in interiors celebrating balance, precision, and natural tones.

**Keywords:** Jacquard, yarn dyeing, piece- dyeing, nylon-poly-linen blend, geometric lines, decorative.

Article Reference	EDEN				
Color	SANDY				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	69 cm	Horizontal	69.5 cm

Composition	36% Nylon, 52% Viscose, 12% Linen			
Weight (+/-)	225 g/m <sup>2</sup>			
Abrasion Resistance	+15,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## CANYON

### **The bold movement of rolling hills**

CANYON is a cotton-polyester jacquard, designed for decorative and general domestic use. Its dynamic pattern of zigzags and curving geometries mimics the contours of rugged hills. Ideal for cushions, light upholstery, or drapery in rustic interiors seeking bold organic movement.

**Keywords:** Cotton-polyester, jacquard, decorative, zigzag, curving geometry, rugged hills.

Article Reference	CANYON				
Color	SANDY				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	23.5 cm	Horizontal	34.5 cm	
Composition	31% Cotton, 69% Polyester				
Weight (+/-)	570 g/m <sup>2</sup>				
Abrasion Resistance	+20,000 Martindale				
Usage	Decorative				
Care Instructions	Dry Cleaning				

## SIERRA

### **The artful dance of woven currents**

SIERRA features intricate embroidery on a dobby-woven fabric in a polyester-cotton blend, adding rich texture and artistic detail to its design. The surface ripples with zigzag lines that flow like gentle water currents. Ideal for curtains or cushions, SIERRA lends a handcrafted, fluid motion to interiors inspired by earthy calm and movement.

**Keywords:** Embroidery, dobby, polyester- cotton, ripples, zig-zag lines, water currents, fluid.

Article Reference	SIERRA			
Color	SANDY			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	9.5 cm	Horizontal	12.5 cm
Composition	57% Cotton, 43% Polyester			
Weight (+/-)	395 g/m <sup>2</sup>			
Abrasion Resistance	+55,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## MAZE

### **The song of fields in flowy Lines**

MAZE is a jacquard woven with yarn-dyed threads in a cotton-polyester blend, designed to bring decorative elegance to interiors. Its abstract pattern, resembling the intricate lines of fields viewed from above, flows like calligraphic strokes creating a sense of dynamic movement. Ideal for cushions or soft accents, MAZE infuses spaces with the beauty of natural geometry and the fluidity of open landscapes.

**Keywords:** Jacquard, yarn-dyed, cotton- polyester, abstract, fields, calligraphic strokes, soft accents, cushions.

Article Reference	MAZE			
Color	SANDY			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	45.5 cm	Horizontal	35 cm
Composition	22% Polyester, 78% Cotton			
Weight (+/-)	555 g/m <sup>2</sup>			
Abrasion Resistance	+10,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## FUSION

### Calming rhythm of organic curves

Fusion is a jacquard textile with a satin base, crafted from a complex yarn- and piece-dyed fiber blend for strength and beauty. The fabric's curving botanical pattern delivers elegance and calm. Suitable for upholstery or decorative pieces, it layers softness into interiors echoing natural growth and serenity.

**Keywords:** Jacquard, satin, complex, yarn and piece dyed, botanical pattern, upholstery, decorative.

Article Reference	FUSION			
Color	MONO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	78 cm	Horizontal	69.5 cm
Composition	22% Nylon, 48% Cotton, 30% Viscose			
Weight (+/-)	370 g/m <sup>2</sup>			
Abrasion Resistance	+30,000 Martindale			
Usage	Decorative, Upholstery			
Care Instructions	Dry Cleaning			

## PANDA

**Natural comfort translated in soft tie dye look.**

PANDA is a 100% cotton jacquard that uses yarn-dyed slubbed yarns to form a soft tie-dye illusion across the surface. With a breathable hand and relaxed pattern, it's well suited for cushions, panels or soft furnishings. Its handcrafted look complements interior palettes grounded in tradition and comfort.

**Keywords:** 100% Cotton, jacquard, slub yarn, soft tie -dye effect, breathable, relaxed.

Article Reference	PANDA			
Color	MONO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	< 1 cm	Horizontal	< 1 cm
Composition	100% Cotton			
Weight (+/-)	335 g/m <sup>2</sup>			
Abrasion Resistance	+10,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## CANNES

### Japanese inspiration rendered in satin

CANNES features a satin dobby weave enriched with printed motifs inspired by Japanese shibori, layered with delicate embroidery. Crafted from a blend of natural and synthetic fibers, it's ideal for decorative applications like drapery or cushions. The pattern adds quiet artistry to interiors drawn to earthy refinement.

**Keywords:** Satin, dobby, printed, Shibori, embroidery, blend, decorative.

Article Reference	CANNES			
Color	MONO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	15 cm	Horizontal	33 cm
Composition	93% Polyester, 7% Zari			
Weight (+/-)	325 g/m <sup>2</sup>			
Abrasion Resistance	+10,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## ALIGN

### **The gentle movement of woven stripes**

ALIGN is a 100% cotton dobby fabric with a matte base contrasted by soft, floating stripes across the surface. Designed for decorative use in cushions and curtains, its subtle motion suits interior spaces that embrace calm geometry and earthy softness.

**Keywords:** 100% Cotton, matte base, floating stripes, decorative, geometry.

Article Reference	ALIGN			
Color	MONO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	N/A	Horizontal	9.5 cm
Composition	100% Cotton			
Weight (+/-)	445 g/m <sup>2</sup>			
Abrasion Resistance	+10,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## DAZZLE

### Refined rhythm of classic diamonds

DAZZLE is a poly-cotton jacquard fabric designed for decorative applications such as cushions or soft furnishings. Its repeating diamond motifs add a refined geometric rhythm. The pattern brings a touch of classic elegance to interiors grounded in neutral, earthy palettes.

**Keywords:** Poly-cotton, jacquard, cushions, diamond, rhythm, grounded.

Article Reference	DAZZLE				
Color	MONO				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	16 cm	Horizontal	9 cm	
Composition	27% Cotton, 73% Polyester				
Weight (+/-)	430 g/m <sup>2</sup>				
Abrasion Resistance	+15,000 Martindale				
Usage	Decorative				
Care Instructions	Dry Cleaning				

## DOODLE

### **Echoes of monochrome folk stories**

DOODLE features a monochrome folk embroidery on a dobby-woven base made from a polyester-cotton blend, softened through fabric washing. Suitable for drapery, panels, or cushions, the fabric's pattern evokes cultural roots and quiet storytelling—perfect for rustic or globally inspired spaces with an earthy tone.

**Keywords:** Monochrome, folk-stories, embroidery, dobby base, blend, drapery, panels, cushions.

Article Reference	DOODLE				
Color	MONO				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	18.5 cm	Horizontal	32 cm	
Composition	94% Polyester, 6% Linen				
Weight (+/-)	655 g/m <sup>2</sup>				
Abrasion Resistance	+25,000 Martindale				
Usage	Decorative				
Care Instructions	Dry Cleaning				

## VERTEX

### **Bold geometry for grounded interiors**

VERTEX is a heavy-duty jacquard woven with yarn-dyed threads in a polyester-linen blend. Designed for structured upholstery and decorative use, it features bold geometric motifs that lend form and clarity. The pattern supports interiors that value tactile structure within a natural, grounded design palette.

**Keywords:** Heavy duty, Jacquard, yarn-dyed, poly-linen blend, structured, upholstery, bold, geometric, form, clarity.

Article Reference	VERTEX			
Color	PIANO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	4.5 cm	Horizontal	2.75 cm
Composition	95% Polyester, 5% Linen			
Weight (+/-)	420 g/m <sup>2</sup>			
Abrasion Resistance	+55,000 Martindale			
Usage	Decorative, Upholstery			
Care Instructions	Dry Cleaning			

## BLOCKADE

### Organic Restraint in Double-Cloth Weave

BLOCKADE is a double-cloth jacquard composed of polyester, cotton, and linen, made for durability in upholstery and decorative settings. Its tactile grid structure brings depth and balance to surfaces. With its grounding geometry, BLOCKADE supports interiors that embrace structure and organic restraint in equal measure.

**Keywords:** Double-cloth, jacquard, polyester, cotton, linen, durability, upholstery, decorative, tactile, grid.

Article Reference	BLOCKADE			
Color	PIANO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	12.5 cm	Horizontal	11.5 cm
Composition	58% Polyester, 38% Cotton, 4% Linen			
Weight (+/-)	520 g/m <sup>2</sup>			
Abrasion Resistance	+30,000 Martindale			
Usage	Decorative, Upholstery			
Care Instructions	Dry Cleaning			

## DELTA

### **Waves in bold contrast**

DELTA is a yarn-dyed jacquard woven from a polyester-cotton-linen mix. Designed for decorative use in drapery or cushions, its soft, pagoda-like waves create a peaceful rhythm. The pattern enhances interiors seeking quiet curvature and a touch of botanical softness within an earthy design scheme.

**Keywords:** Yarn-dyed, jacquard, polyester-cotton-linen, decorative, pagoda-like, waves.

Article Reference	DELTA			
Color	PIANO			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	2 cm	Horizontal	2 cm
Composition	48% Polyester, 47% Cotton, 5% Linen			
Weight (+/-)	450 g/m <sup>2</sup>			
Abrasion Resistance	+15,000 Martindale			
Usage	Decorative			
Care Instructions	Dry Cleaning			

## CAMPUR

### **Earthy Houndstooth in Cotton Weaves**

CAMPUR is a cotton jacquard featuring a reimagined houndstooth pattern with a softened, organic twist. Its natural composition and durable weave make it ideal for upholstery or structured cushions. This classic pattern grounds interiors with a refined, earthy presence.

**Keywords:** Cotton, jacquard, houndstooth, organic, natural composition, durable, upholstery, cushions.

Article Reference	CAMPUR				
Color	PIANO				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	< 1 cm	Horizontal	< 1 cm	
Composition	100% Cotton				
Weight (+/-)	400 g/m <sup>2</sup>				
Abrasion Resistance	+60,000 Martindale				
Usage	Decorative, Upholstery				
Care Instructions	Dry Cleaning				

## CHROMA

### Calm Geometry in Balanced Weaves

CHROMA is a jacquard fabric woven in a balanced, symmetrical design using yarn-dyed threads. Its calm geometry suits decorative applications like cushions or drapery. With its orderly rhythm, CHROMA anchors interiors in serene, earth-toned symmetry.

**Keywords:** Jacquard, balanced, symmetrical, yarn-dyed, geometry, decorative.

Article Reference	CHROMA				
Color	PIANO				
Width (+/-)	140 cms				
Repeat (+/-)	Vertical	7.5 cm	Horizontal	3.5 cm	
Composition	67% Polyester, 33% Cotton				
Weight (+/-)	580 g/m <sup>2</sup>				
Abrasion Resistance	+25,000 Martindale				
Usage	Decorative				
Care Instructions	Dry Cleaning
